

# Cara Penggunaan "Element X"

Berikut adalah panduan untuk login akun notifikasi ke dalam aplikasi Element X

- [Tata Cara](#)

# Tata Cara

1. Buka aplikasi "Element X" lalu pilih Sign in manually

2. Selanjutnya pilih Change account provider untuk mengganti provider chat.

## You're about to sign in to matrix.org

This is where your conversations will live — just like you would use an email provider to keep your emails.

Continue

Change account provider

---

3. Selanjutnya pilih Other

## Change account provider

Use a different account provider, such as your own private server or a work account.

---

 **matrix.org** 

Matrix.org is a large, free server on the public Matrix network for secure, decentralized communication, run by the Matrix.org Foundation.

---

 **Other**

---

4. Lalu ketikkan [matrix.mahkamahagung.go.id](https://matrix.mahkamahagung.go.id) dan pilih

## Find an account provider

Search for a company, community, or private server.

Enter a search term or a domain address.

5. Pastikan provider terganti ke [matrix.mahkamahagung.go.id](https://matrix.mahkamahagung.go.id), lalu pilih Continue untuk melanjutkan

## You're about to sign in to matrix.mahkamahagung.go.id

This is where your conversations will live — just like you would use an email provider to keep your emails.

5G 57%

## You're about to sign in to matrix.mahkamahagung.go.id

Matrix is an open network for secure,  
decentralized communication.

Enter your details

Continue

7. Lalu lanjutkan dengan memilih "Cant't confirm ?" karena ini adalah device pertama anda.

Sign out

### Confirm your identity

Verify this device to set up secure messaging.

[Learn more](#)

Can't confirm?

---

8. Selanjutnya, pilih Not now

### Help improve Element X

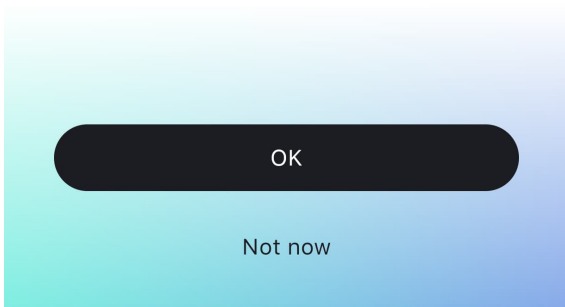

Share anonymous usage data to help us identify issues.

You can read all our terms [here](#).

We won't record or profile any personal data

We won't share your data with third parties

You can turn this off anytime

7. Setelah berhasil login , silahkan accept chat dari Bot Mahkamah Agung untuk menerima notifikasi. Notifikasi akan selalu dikirimkan melalui percakapan atau room tersebut . Jangan Leave Room atau Block user bot mahkamahagung\_ri ! . Terakhir, Set up recovery (opsional, jika dibutuhkan agar percakapan yang terenkripsi tidak hilang ketika ganti perangkat)
